*Here's to it!
The fighting sheen of it,
The yellow, the green of it,
The white, the blue of it,
The swing, the hue of it,
The dark, the thread of it,
Every thread of it.*

*The fair have sighed for it!
The brave have died for it,
Foemen sought for it,
Heroes fought for it.
Honour the name of it,
Think of the fame of it----*

CABINET

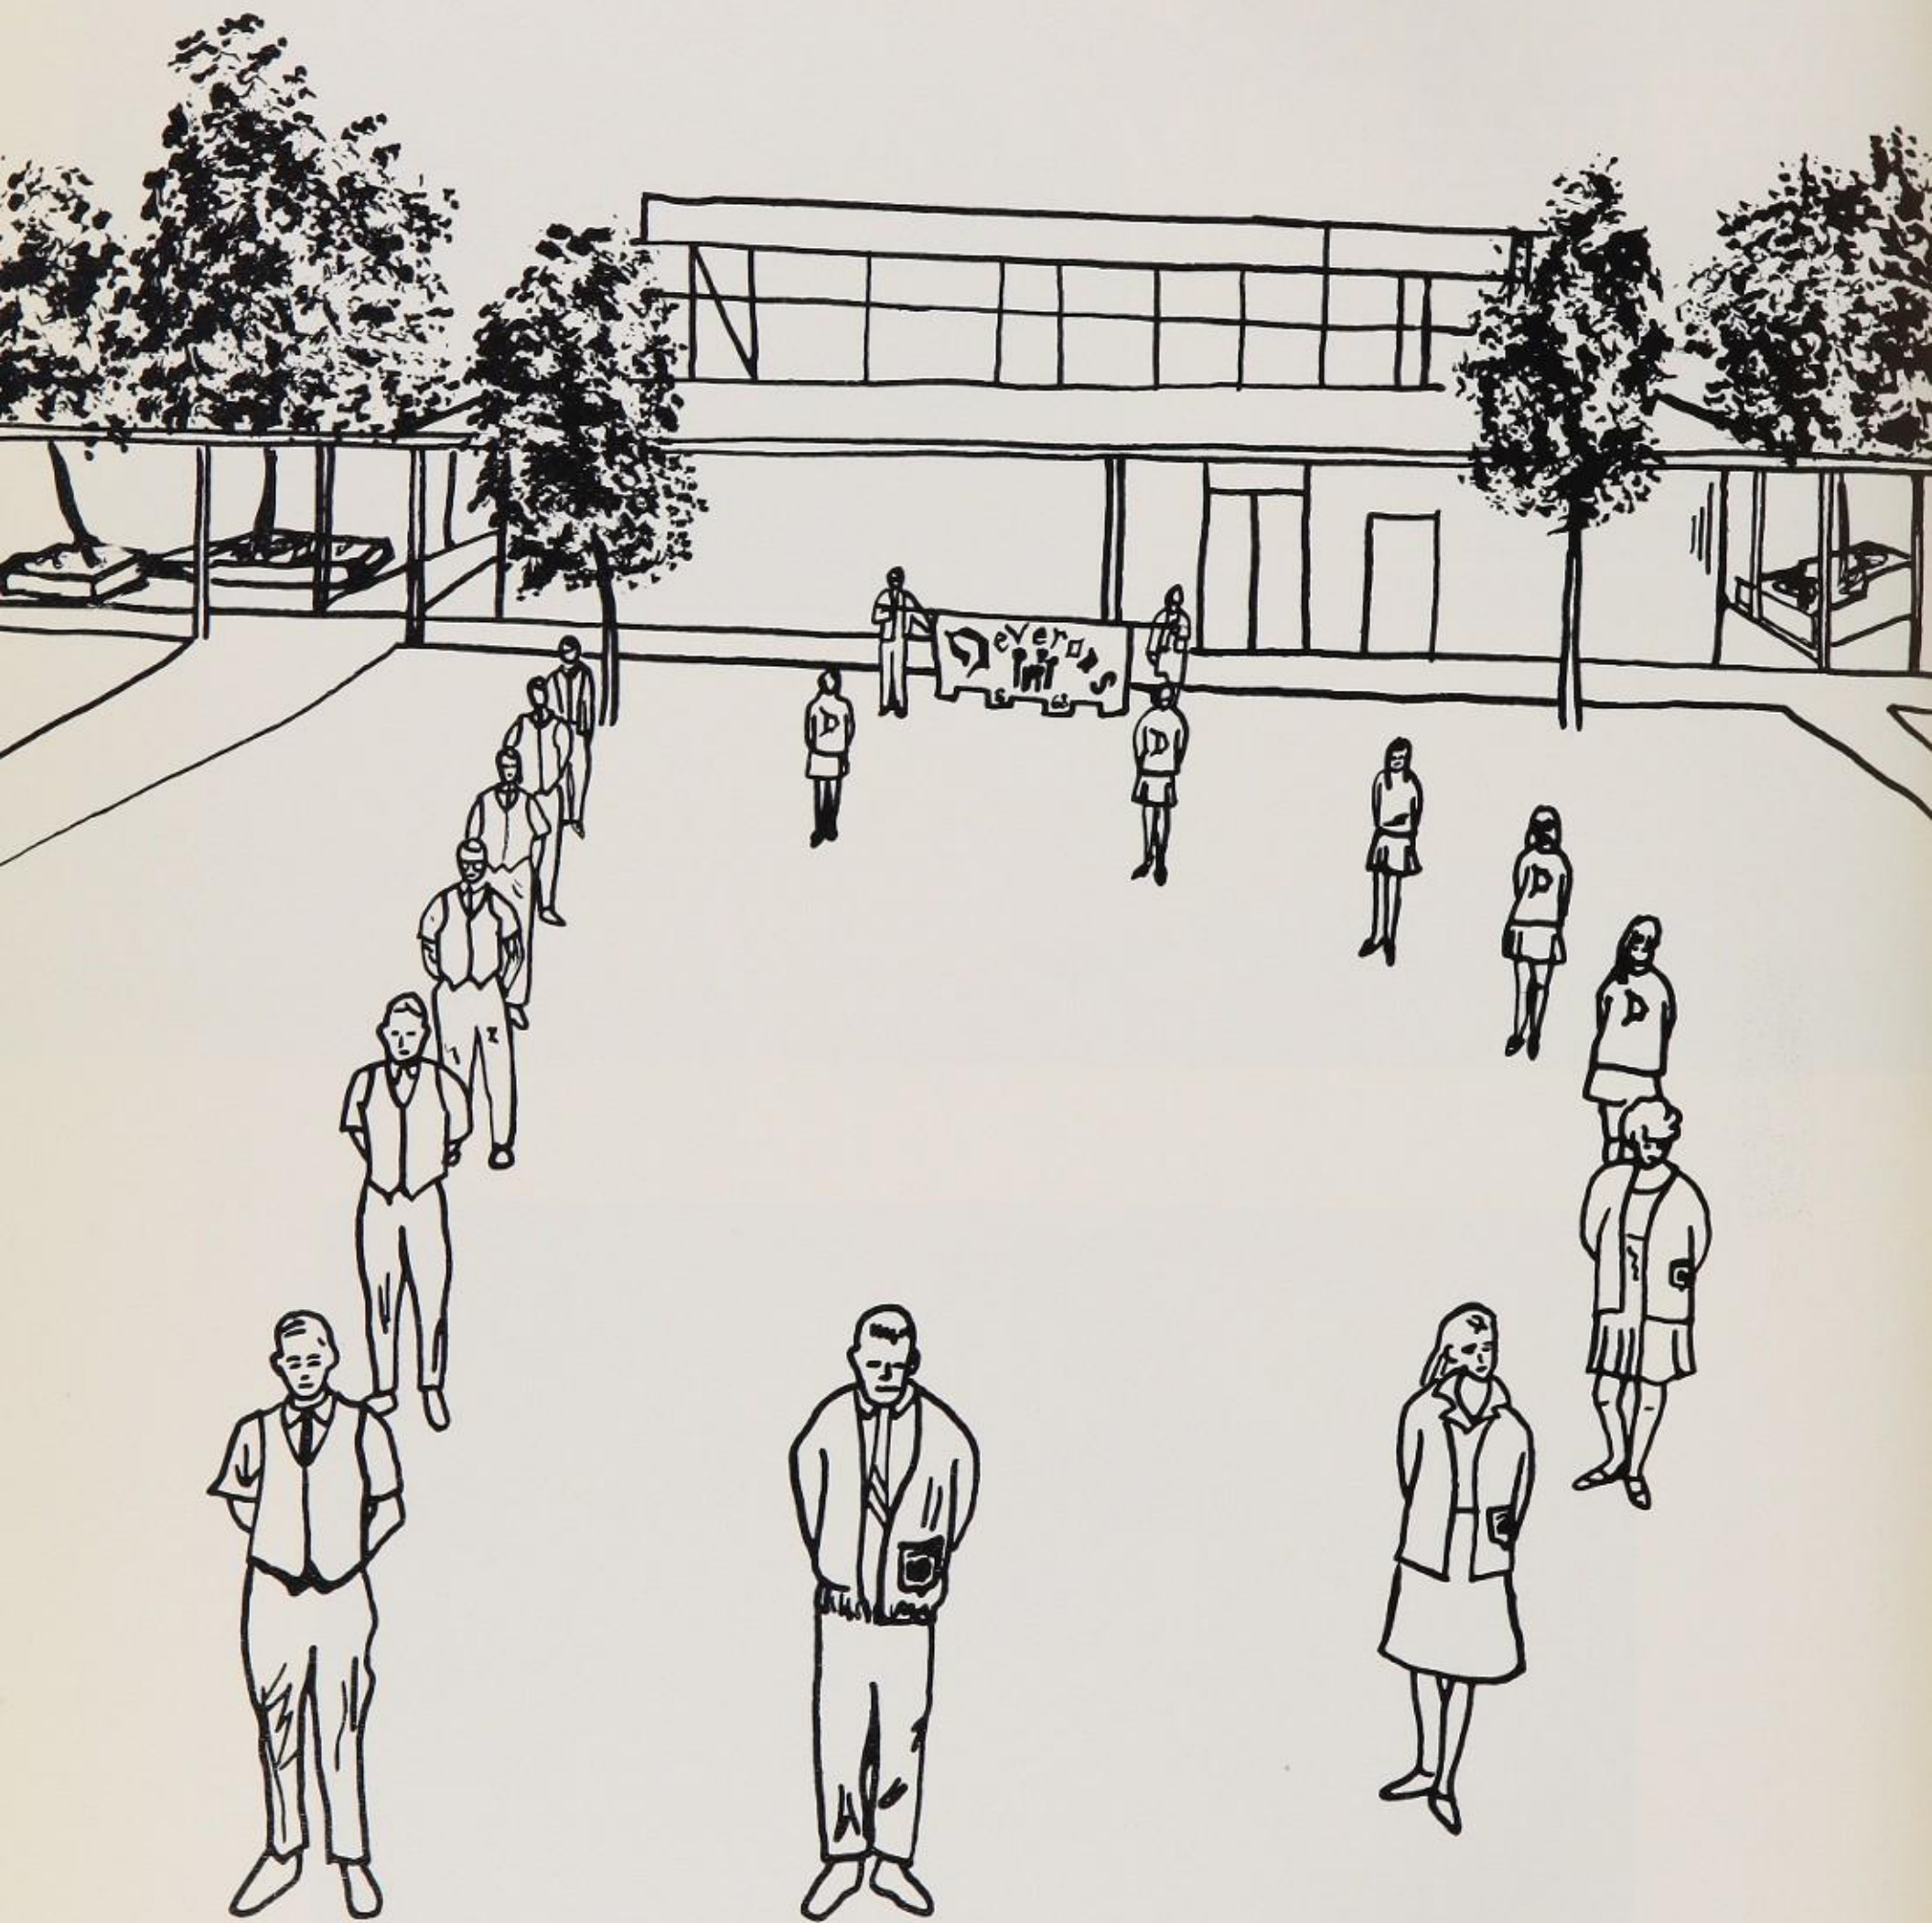

TPGH

THE LANIA-KEIS sponsored an unscheduled activity on the nights of January 24 and 25. Wednesday, Mrs. Perdita Klehmet and Mr. Ed Eberle held a barbecue for the hard workers in the class. After dinner these students went to work "borrowing" an outhouse and hiding it under a red bedspread in Mrs. Klehmet's backyard. The following afternoon, the outhouse was painted. About 11 p.m., the Lania-Keis met to give a farewell gift to Granada. They covered the trees with blue and green toilet paper, made a pyramid of trash cans, and moved the outhouse into Scotland Yard. How could Highlanders forget the Lania-Keis, as TP could still be seen in the trees in March.

Before . . .

THE DEVERON STEERING Committee appointed Nancy Bell and Barbara Blomgren to be in charge of finding a float for the Homecoming Parade. They found that the Deverons would be able to borrow the float Tri Delta Fraternity had used in Valley State's Homecoming Parade. Wednesday night about eight members of the Deveron class went to the fraternity house on Prairie Street and proceeded to tow the float to Janet Hovland's house on the other side of the college. Three hours passed by as the Deverons towed the unlighted float one mile.

THE DEVERONS WORKED until midnight Thursday night redecorating the float and changing the original theme from a bank robbery to Alice in Wonderland. They made countless trips across the Valley in search of burgundy and ice blue crepe paper and napkins. Friday afternoon Mr. MacLachlan's class made huge crepe paper flowers instead of taking a government quiz. After working Friday after school, the Deverons again towed the float up Zelzah to the school where they frantically added the finishing touches.

FRIDAY NIGHT BETWEEN the BEE and Varsity games the Deverons showed their spirit when they stood and cheered as the float circled the field. The float was preceded by the banner carried by Lynn Brooks and Loren Pinilis. It was towed by a truck driven by class sponsor, Mr. Warren. Class cheerleaders rode in the rear of the truck.

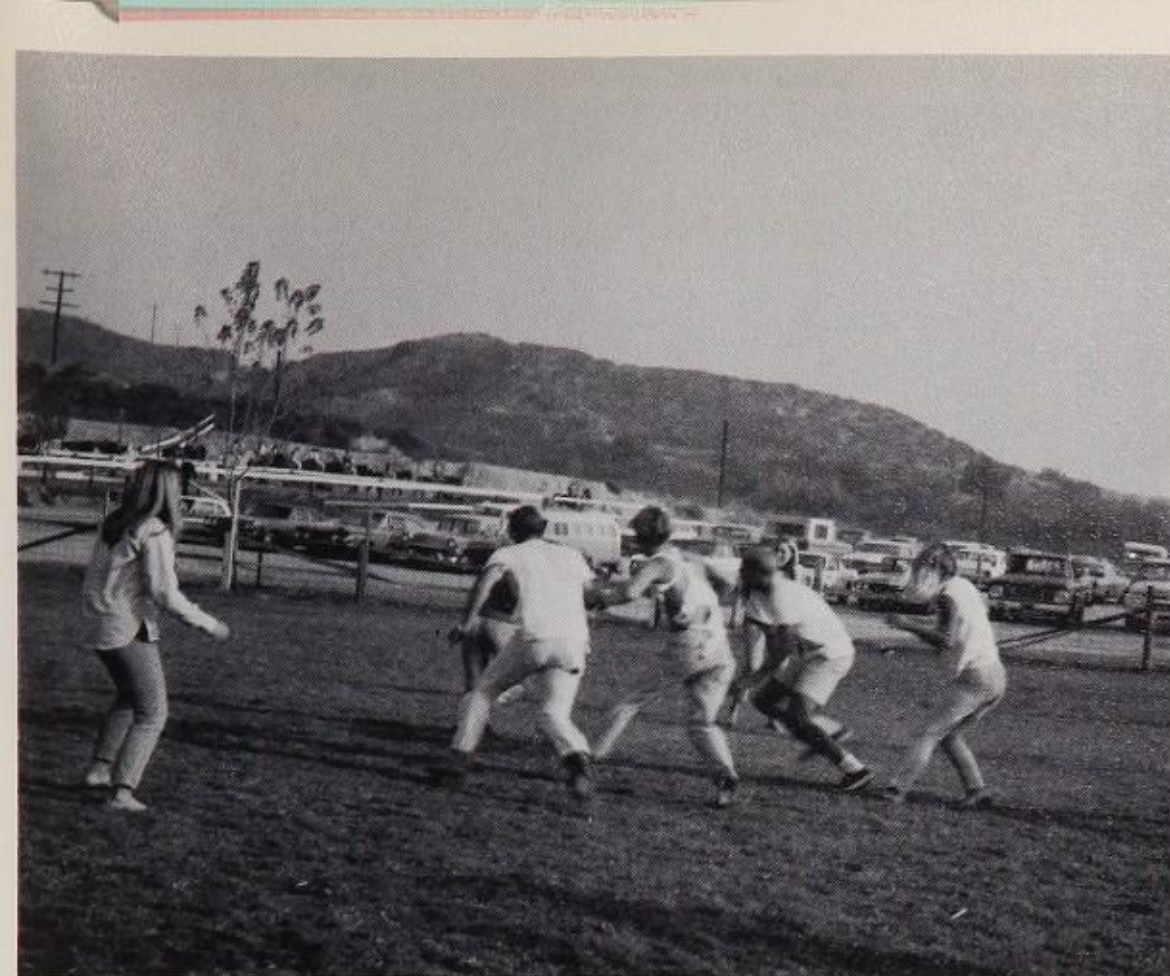

THE DEVERONS SPENT Sunday afternoon dismantling the float and towed it, for the last time, back to the fraternity.

Somebody go up there and get it.

. . . After.

Some prefer tag football . . .

AT THE CLOSE of fourth period, four hundred and fifty Deveron Class members were excused to attend their Senior Picnic at Sunset Farms.

LUNCH WAS SERVED soon after their arrival. It consisted of Bob's Hamburgers, potato chips, milk, and ice cream.

CLASS PARTICIPATION WAS high in both activities and contests. While some preferred to try their skills at tug-of-war, pie eating, and balloon sitting contests, others enjoyed activities such as football, volleyball, baseball, hiking, swimming, and horseback riding.

THE AFTERNOON CAME to a successful end when the tired and exhausted Deverons headed for home.

SENIOR ACTIVITIES

The winners wet their pants.

Their strength was overwhelming.

SENIOR "A" CABINET

The Deveron A-12 Cabinet includes Kim Donahue, Publicity Chairman; Charlie Blake, Yell King; Sue Harrison, Chairman of Social Activities; Bob McKinley, Vice President; Ginny Bollinger, Historian; Mike Hansen, President; and Nancy Bell, Treasurer.

Class Cheerleaders include Sue Harrison, Bob Atkins, Jan MacDougall, Charlie Blake, Sandy Turner, Kirk Peterson, Barbara Baldwin, and Tom King.

THE PTA HAS been a most active supporter of all activities of Granada Hills High School. They serve without much fanfare and are dedicated to service to their school and community. Most of the decision-making is done at the monthly board meetings, by the board members pictured here. At their Annual Founder's Day meeting held in February, Band Director Mr. Sheldon Mehr was honored with the presentation of an Honorary Life Membership.

Mrs. Bette Johnson, Mrs. Bunny Schuman, Mrs. Maxine Fulton, Mrs. Myra Munroe, Mr. Herman, Mrs. Connie Smith, Mrs. Ruth Sorensen, Mrs. Florence Daum, Mrs. Barbara Bell, Mrs. Marian Blair.

ONE OF THE highlights of the year was an evening of The Songs of America co-sponsored by the PTA and the Optimist Club. The program featured this chorus of members of the community directed by Mr. John Herman, Optimist Club Youth Work Chairman.

YOU ASKED FOR IT ② YOU'LL GET IT! WHEN?

At one of the early planning meetings, John discussed the program with Mrs. Queenie Feder of the PTA, and Mrs. Judith Greene.

IT WAS CALLED the HIGHLAND FLING and, this year, included some PTA members in the cast. Originally begun as a money-making venture for the PTA last year, it was expanded to a two-night performance this year, playing to a packed house both nights. The PTA and Faculty Association split the expenses and income this year. John Herman served as producer and director and was ably assisted by more than sixty members of the faculty.

At least seven of the acts are depicted in this pre-show photo. Those who saw the show can easily identify each scene represented. Posing are Mr. Nate Rundlett, Mrs. Marion Goldstein, Mrs. Elsa Kelso, Mr. Norm Nero, Mrs. Judy Green, Mr. Spencer Ray, Mr. Ray Ballard and Mr. John Herman.

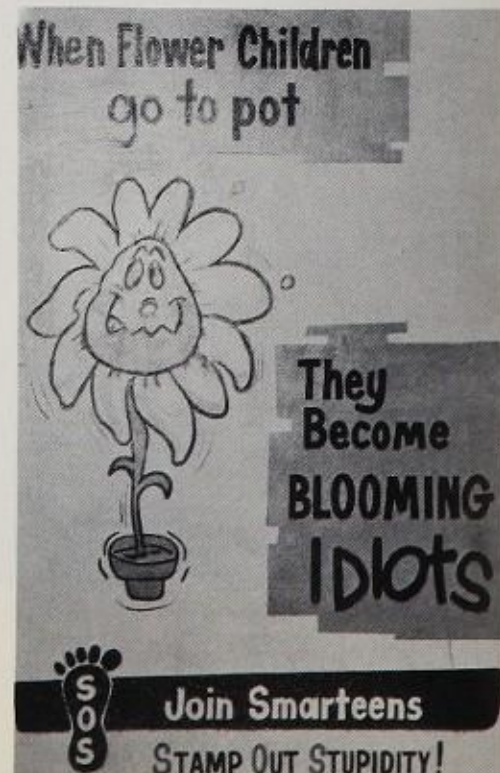

S O S

Mr. Robert Squire, Glenn Tanner, Belinda Ziegler, Ken Watson, Jan Murray, Sharon Lanham, Craig West, Mr. Mike Godfrey, Dave Kater, Mr. Warren Dorn.

"SMARTEENS", A NEWLY formed club on campus, was organized in an effort to curb the use of narcotics by teenagers and to discuss other problems that the younger generation faces. In an effort to show people that they can have a good time without the aid of drugs, SOS has organized programs and activities of interest to Granada High students. Part of a nationwide movement which is

taking hold in high schools everywhere, our SOS Chapter has distinguished itself and received commendation from County Supervisor Warren Dorn and Mayor Samuel Yorty. Membership in the organization is open to all students. At present, the membership is increasing at a rapid rate.

Ready to go.

THIS COULD BE called a FEATURE PAGE because it features the students who for reasons many and varied didn't have their pictures taken with the members of their class. The page was reserved for this purpose and the Tartan Staff hope that those who find themselves here are pleased with the way it was done!

FOREIGN EXCH

Anne addresses the Student Body at the Fall PEP Assembly.

ANNE STUART

ANNE STUART, OUR American Field Service representative, came to Granada from Australia. Her home, a wheat ranch in New South Wales, is located in the country 300 miles north-west of Sydney. Kangaroos are not uncommon in the country but Koala Bears are a rarity.

THIS YEAR ANNE organized an AFS assembly March 20 which featured Bo Diddley along with an AFS student discussion panel from various schools throughout the valley.

AT SCHOOL ANNE is a member of Ladies and Girls' League. During the Fall semester she was a member of the Drill Team and marched in every half-time program during football season. As a result of this she has acquired a very spirited attitude, enjoying basketball games and

other competitive sports. Her other interests include drama, (she participated in the school plays "Our Town" and "Berkeley Square"), outdoor sports, such as sailing, hiking and camping, and speaking to the Women's Club, High Schools and P.T.A.s.

ANNE'S REACTIONS TO Americans and their way of life has been very positive. She loves American food, especially ice cream, and enjoys being with people. At the end of the year, Anne will travel across the United States to reinforce her favorable opinion of our people.

HERE IN THE United States, Anne is staying with the Hughes family who have one daughter, presently enrolled at Granada, who will be the Drill Team Captain of Fall '69.

CESAR FERRER

NGE STUDENTS

Ann's family: Grant Dennler, Ann Morrison, Jane and Mark Dennler.

Ann attends Roosevelt High School in Johannesburg.

ANN MORRISON

CESAR FERRAR, YOUTH for Understanding exchange student at Granada Hills High School, hails from Montevideo, Uruguay, South America. He is staying with the Steck family, and will be in the United States until July, which will complete his six month study program in this country.

CESAR FINDS THAT the pace of American life is quite different than the routine of things in his own country, including the educational system. The Uruguayan way of life is slower, and the principle meal is lunch in contrast with our dinner-time main meal. A typical meal would be *farrillada* and the drink, *mate*. School schedule, too, is different. Cesar attends from three o'clock in the afternoon until eight o'clock in the evening. Cesar studies last year included philosophy, universal history, biology, English, Italian, mathematics, and literature. He plans to study law in

college when he returns to Montevideo.

CESAR, COMING TO us from the smallest country in South America, is surprised at the friendliness of the American people. He has made many friends here. Cesar's philosophy is that it is important to live with people, and important for all people to understand and get along with each other.

THERE ARE MANY similarities between Uruguay and the United States. Their governments are both democracies, both have the state system of organization, and the popular sport of Uruguay is soccer, a game closely resembling football. Beautiful beaches remind us of Southern California. We are happy and proud to have Cesar at Granada, he is our friend who brings us closer to world understanding. Cesar, too, is proud to be a Highlander.

ANN MORRISON, B-11, was chosen by the American Field Service to journey to Johannesburg, South Africa, as an exchange student representing the Los Angeles City School System to the Southern Hemisphere. She left January 14, 1968, and will be gone for one year. During her stay in South Africa, she will live with the Wilfred Dennler family and attend Roosevelt High School. Ann's studies will include English, History, Mathematics, Science, and Afrikaans, a Germanic-based language.

STUDENT LIFE

STUDENT GOVERNMENT

JARED COOK, GRANADA Hills High School's Student Body President during the Fall semester 1967, proved himself an able leader during his term in Student Council.

JARED DEFINED MANY duties the school governmental body should give immediate attention to; these included activity card assemblies, party conventions, elections, announcements, and general organization of most student body activities.

DURING THE SEMESTER, Student Council appointed, upon Jared Cook's recommendation, a B-10 representative which was picked on the basis of written essays and interviews. This position became a permanent feature of council.

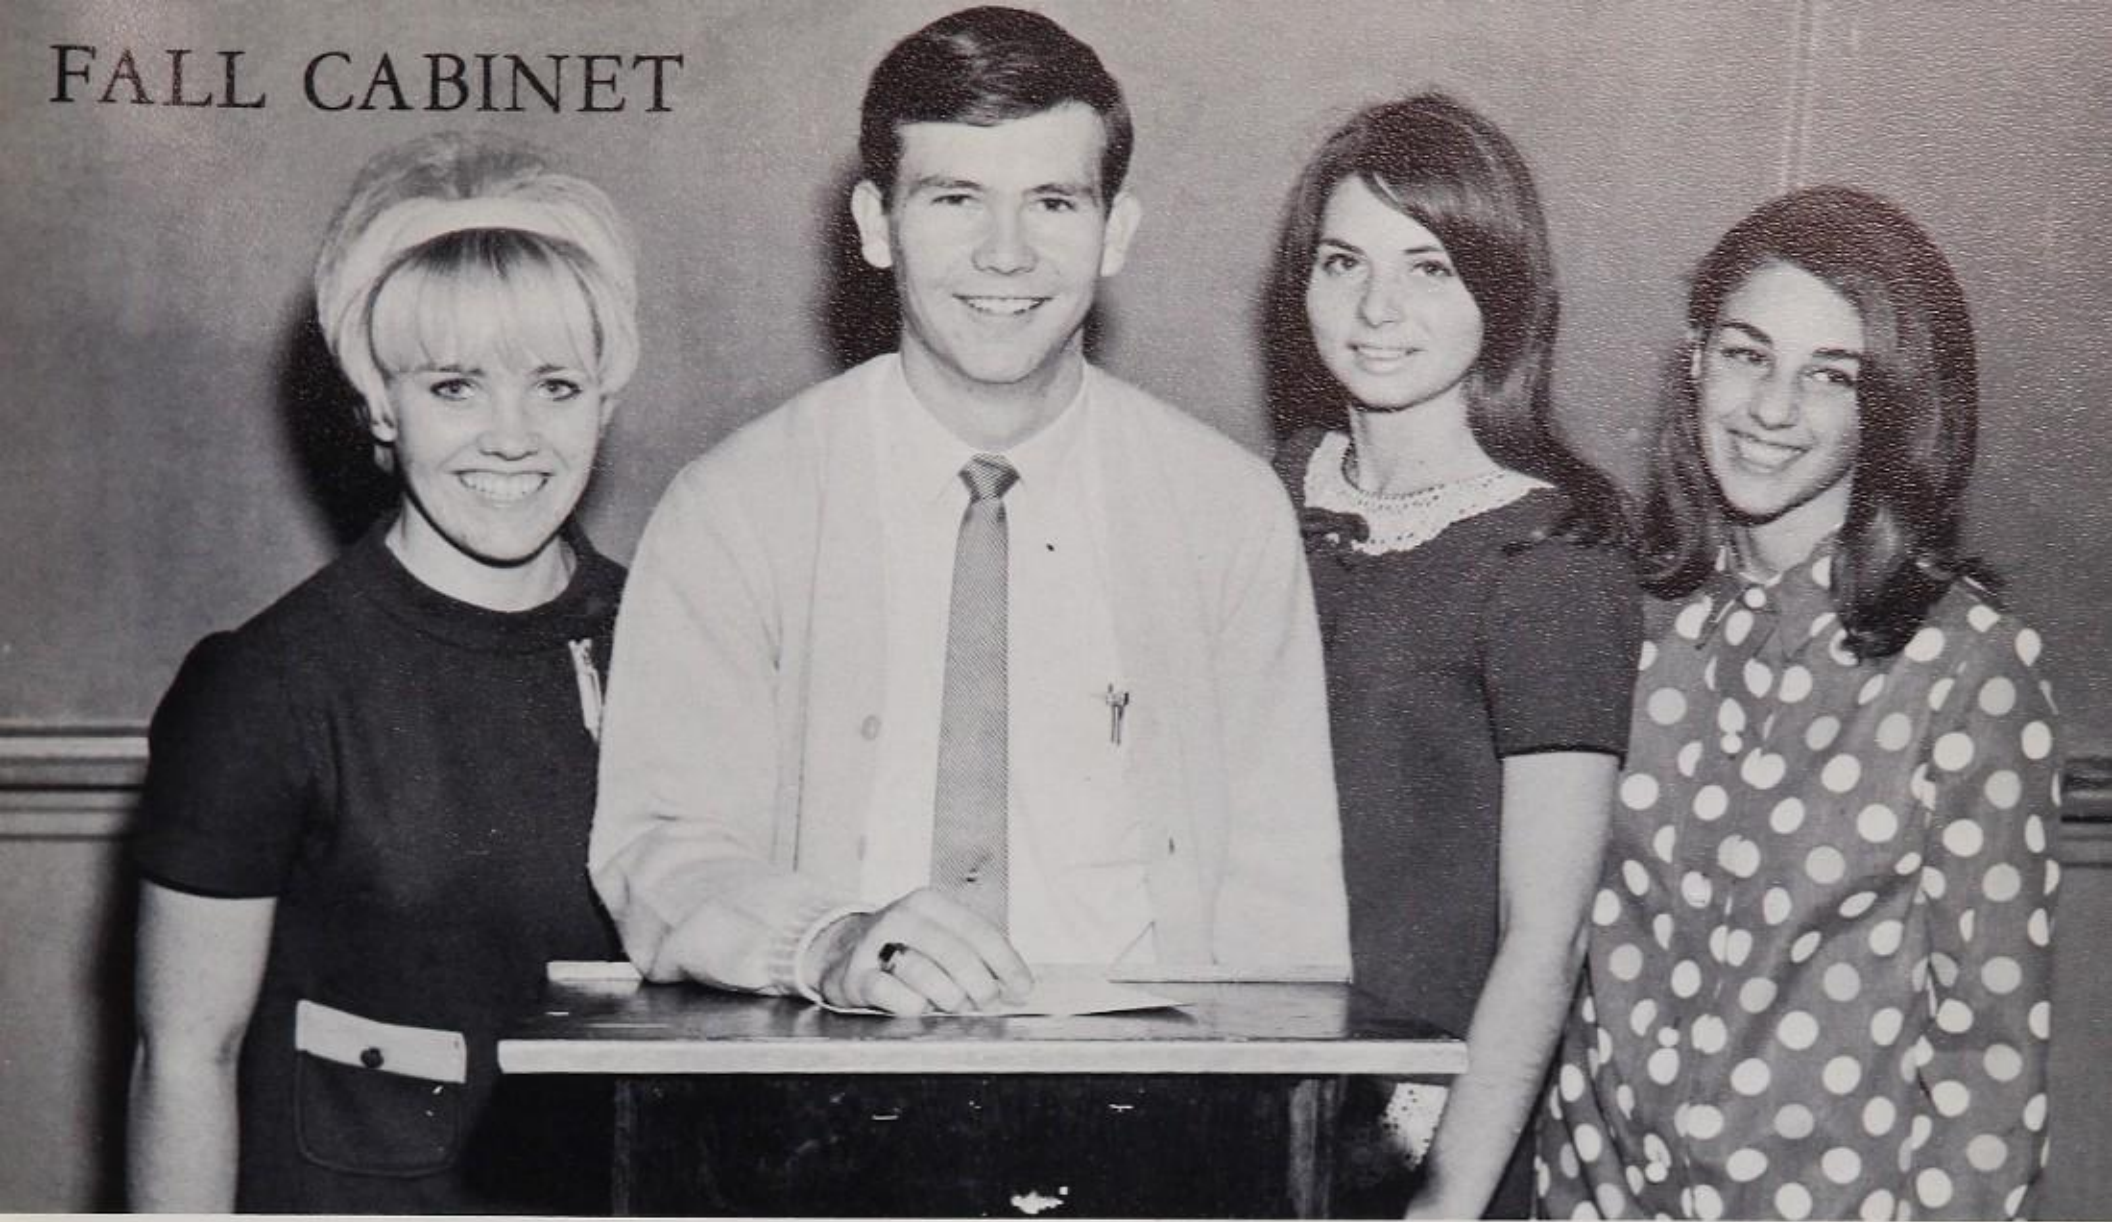

STUDENT VOICE WAS also created during his term. It was set up to be organized of interested students with a minimum of governmental structure which would express any grievances or criticisms they had.

THE COMMISSIONER OF Communications was put in charge of writing a weekly Council news letter which for the first time in Granada's history developed a more direct link between council and the student body.

DURING HIS TERM Granada Hills enjoyed a Student Council which made lasting impressions on school policies and activities.

FALL COUNCIL

STUDENT GOVERNMENT

JAY LINDSEY WAS elected Student Body President after serving Granada Hills High School as Commissioner of Publicity and Drives, Clan Comyn Chairman, and Student Body Treasurer. The preparation obtained by three semesters in Council aided Jay in the planning and follow through of the activities initiated and continued under his leadership.

FROM THE BEGINNING of the semester, Jay tried to make his Council an efficient one, with emphasis on really serving the Student Body. He heartily supported Student Voice, both during the election and in Council. He also welcomed suggestions from any member of the Student Body.

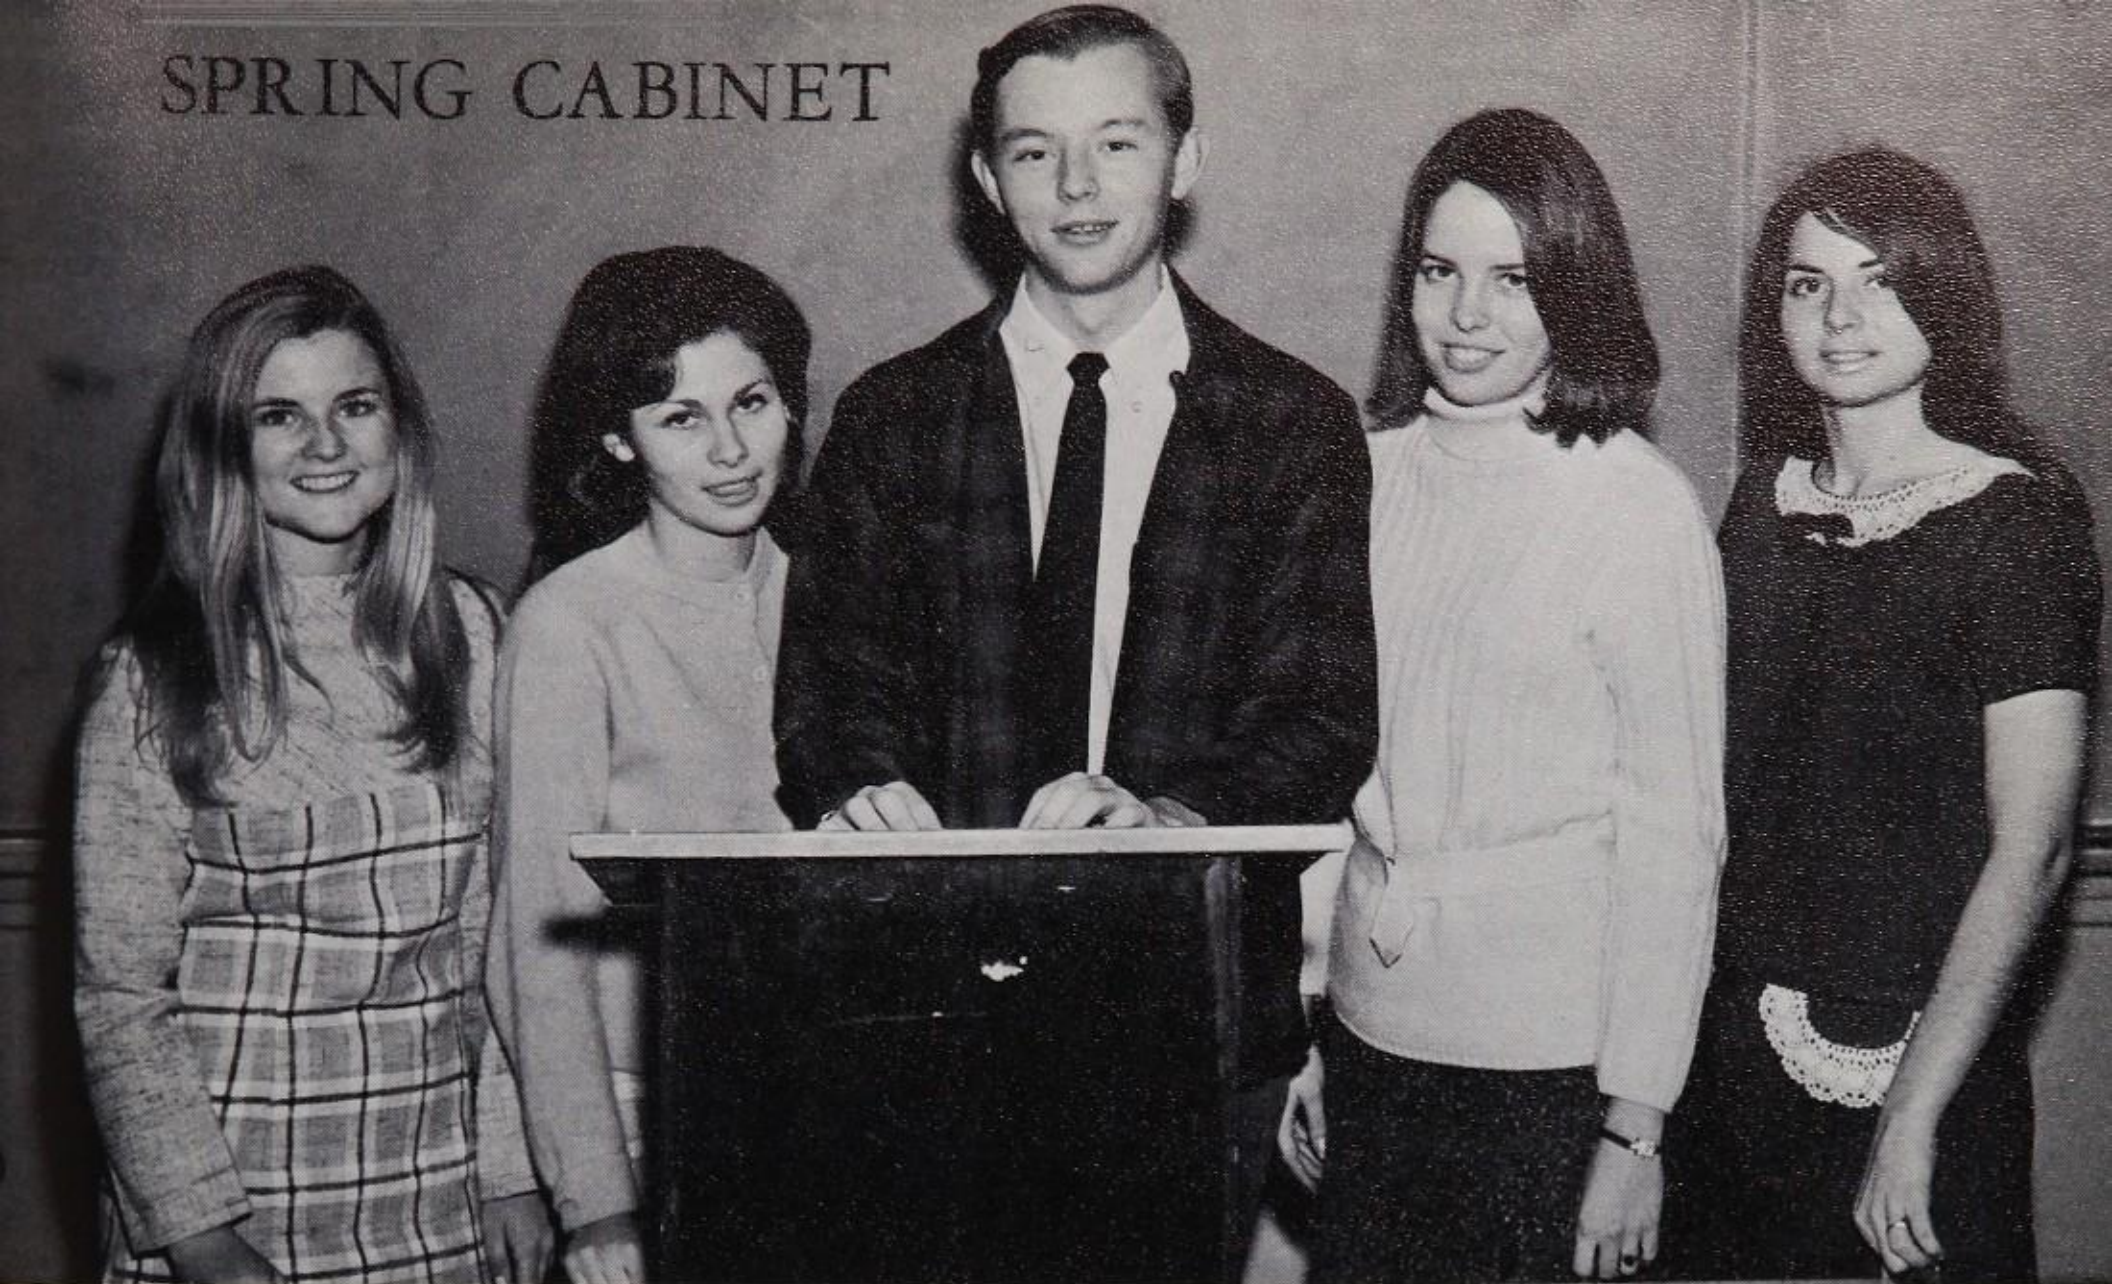

JAY WANTED TO get more people involved at Granada. With the tenth grade making up over one-third of the Student Body, Jay continued previous policy by appointing a B-10 Representative to Student Council. He wanted the boys to become more involved in school activities, so he appointed a student to set up Boys' League.

JAY HAS SHOWN himself to be a well organized and efficient Student Body President. Not all of his hopes for Granada have been accomplished, but he has come quite close.

HE WILL BE remembered as a President who had an outstanding Council to work with and who utilized it to the utmost for the improvement of Granada Hills High School. As you read this yearbook he will also be remembered as Sports Editor of TARTAN '68.

GATHERING OF THE CLANS

THE FIRST BI-ANNUAL Gathering of the Clans, November 28, 1967, marked the introduction of two new parties, Clan Comyn and Clan Seton. Linda Jackson, A-11, found the names and shields which they bear.

CLAN COMYN

"COMYN" COMES FROM a name of a medieval family that fought over the throne of Scotland and eventually lost the battle.

JAY LINDSEY, COMYN party chairman, presented the party platform, former white party chairman, past party members, and candidates for school office to clan registrants at this first gathering. Campaign issues that Comyn supported were the formation of Boys' League, Hall of Fame, and support of the Student Voice.

CLAN SETON

"SETON" IS THE name of a Scottish family that is said to have saved King Robert of Scotland from capture at a medieval battle.

STEVE JACOBS, SETON party chairman, introduced a new procedure in party conventions by allowing each candidate for office to give a speech. Prior to this precedent only the major office seekers were able to present their views. This new procedure enables the candidates to be judged by what they say rather than by appearance alone.

THE TARTAN STAFF'S sole purpose is to compile a history of the school year. Their principal publication is presented annually to students, teachers, staff, and community members. Along with this, a Handbook was compiled this semester for all incoming staff members to serve as a guide pertaining to specific jobs and duties.

BEFORE THE TARTAN is unveiled during the final week of school, many hours of hard work and preparation take place with members giving up spare time, week-ends, and holidays to work towards a specific goal, completion. But when the school comes to an end, the staff still works on, preparing the Summer Supplement that is mailed to purchaser's homes during the summer.

A YEAR'S WORK, on reflection, is very gratifying to the staff when they finally view their completed TARTAN.

FOOTBALL

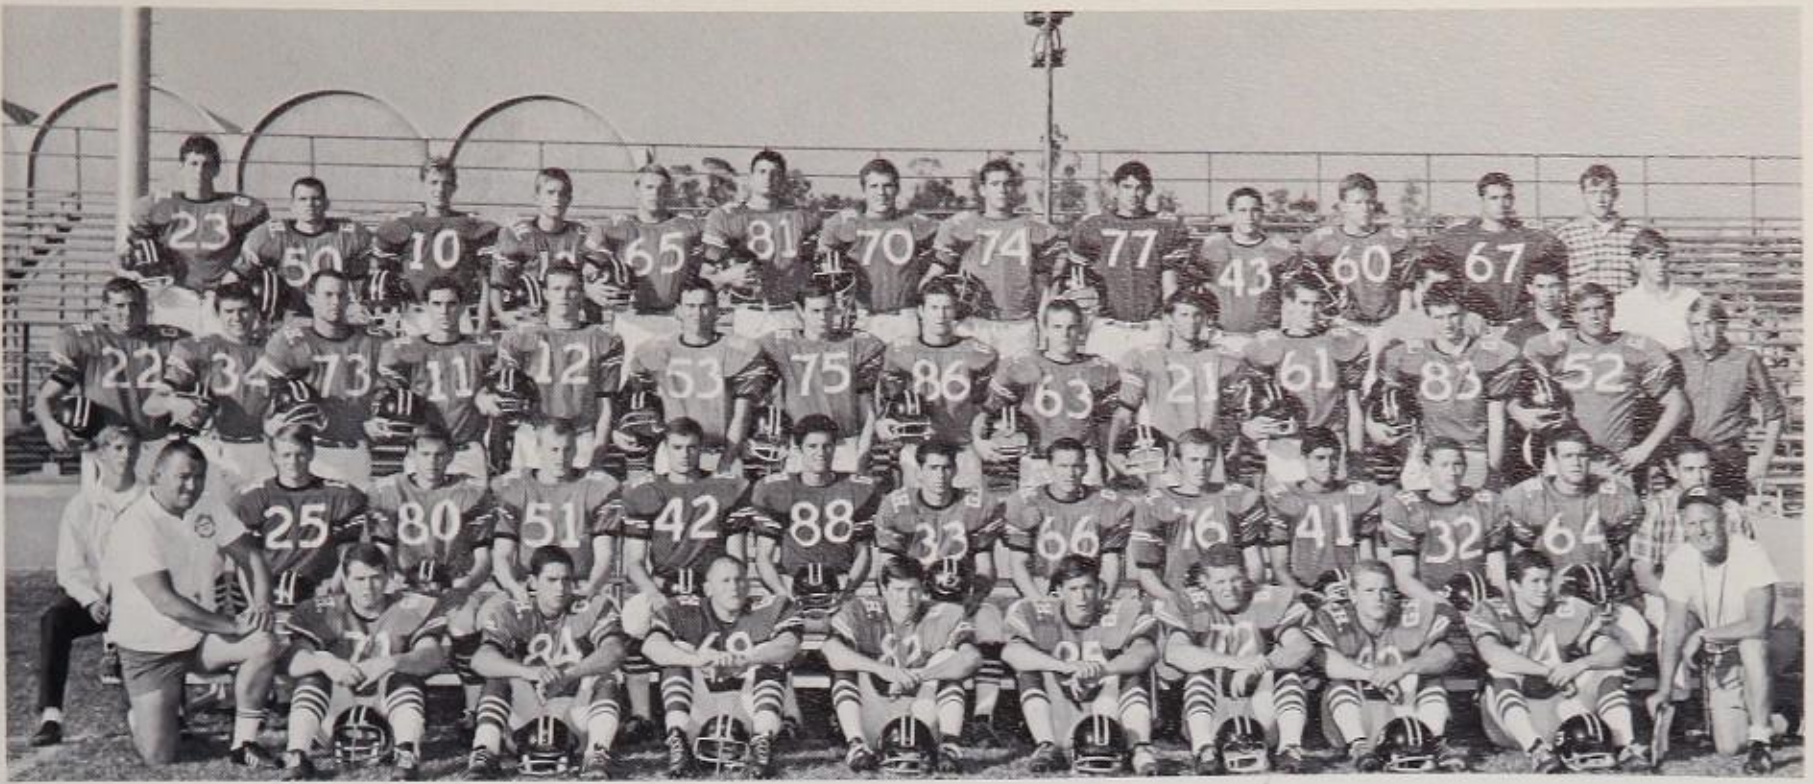

THE HIGHLANDER FOOTBALL teams fought hard this year in the newly created Mid-Valley League. Opening the season under the lights, the visiting Hollywood Sheiks were forced to flee back to their tents, after being smashed 32-2. The Pathfinders of Fremont found their way onto the field the next week, and also found an extra point, giving them a 7-6 victory. The highly-spirited Poly team, always capitalizing on breaks, flew past the Scots, 28-7.

ENTERING MID-VALLEY play at Birmingham, the inspired Highland team burnt the Braves for the second consecutive season. Granada, after a humiliating first half, came back to hold the Monroe Vikings, ending with a score of 20-6.

THE SCOTS LAST three games had to have been the toughest of the season. A non-league game with the Cavaliers found both teams in a 12-12 deadlock as time ran out. The Sylmar game was a battle in which the Spartans edged Granada 13-12. Oh, for that extra point! The Homecoming game closed the season. The Highlanders were caged by the Tigers of San Fernando, with a final score of 33-0. San Fernando went on to take the City Championship as the Scots settled for third place in the League.

The Granada Hills Junior Varsity Football team scored a first this year. Unknown to most of the Student Body, the JV's played five games on Monday afternoons. What's so unusual about this? Nothing. But what happened at these games is. In each of the five games, not one point was scored by the opponents. Cleveland came close in the last period of play, but Scot power triumphed in the end. The JV's are the first team in Granada's history ever to go unscored upon.

CROSS COUNTRY

Though failing in their attempts to capture a fourth consecutive city championship and extend a twenty-one meet winning streak, the Highlander Varsity remained a Cross Country power. Chuck and Greg Franklin, Todd Jensen, Steve Kinney, Danny Kaplan, Brian Carroll, and Dave Lange led the team through a season that saw defeats only to Monroe and CIF Cathedral and went as far as the All-city Prelims, where the Scots were bumped by eventual champions Reseda, Fairfax, and Carson.

Junior Varsity, trying for a fifth straight city championship, had to settle for second best. Scorers Mike Botz, Jerry Jimenez, Jerry Wirtz, Dave Whitman, Mike Leggett, Jim Merrill, and Mike San Fillipo put the team out in front of everybody but Monroe.

Jim Babiracki, Charles Beach, John Theodore, Jim Tate, Paul Hoffman, Dave Arnold, and Jim Burch led the tenth graders - Coach Giles Godfrey's brightest hopes - through an undefeated season and into the city finals. There, in perhaps the closest race in city history, the Scots took

fourth among the seven teams who finished in nearly a dead heat.

VARSITY SCORES

The Cross Country Scoring System differs from that of any other athletic event at Granada. The low score wins. The first five men on each team to finish score. The number of points scored is determined by the place that the runner takes as he comes through the chute. A perfect team score is 15 points.

LEAGUE CHAMPS

AT THE PEP Assembly, September 21, 1967, Coach Stone told the Highlanders to stop talking about the 1964 Basketball team, and watch the 1968 team. For those who did at first, it was disappointing. The team lost first two practice games and the outlook was dim. We were not even rated in City and were second in League ratings.

THEN THINGS BEGAN to look up. A victory over Birmingham in the first League tilt told the cagers that they could do it. A practice game with the Grant Lancers with a score of 104 to 80 started the drive which later led to the playoffs.

EARLY IN DECEMBER, a hard break came. In a tense game at San Fernando, the Scots were ahead by one point.

A wild shot by the Tigers in the last two seconds won the game for them. Spirit then began to build within the school. On Tuesday, January 13, 1968, the rematch came. The gym was literally packed by 2:30. Pride Power reigned supreme as the startled Tigers fell to a score of 69 to 61.

A BERTH IN the playoffs led us to Monroe, where we defeated West-Valley Co-Champs Canoga Park. The next night, the cagers were pitted against Marine Co-Champs, Gardena, who outscored the Scots in the second quarter 20-7, this was eventually the margin of victory. The Highlanders were still best in the Valley, as we were the only team to make it to the second round of the Playoffs.

BASEBALL

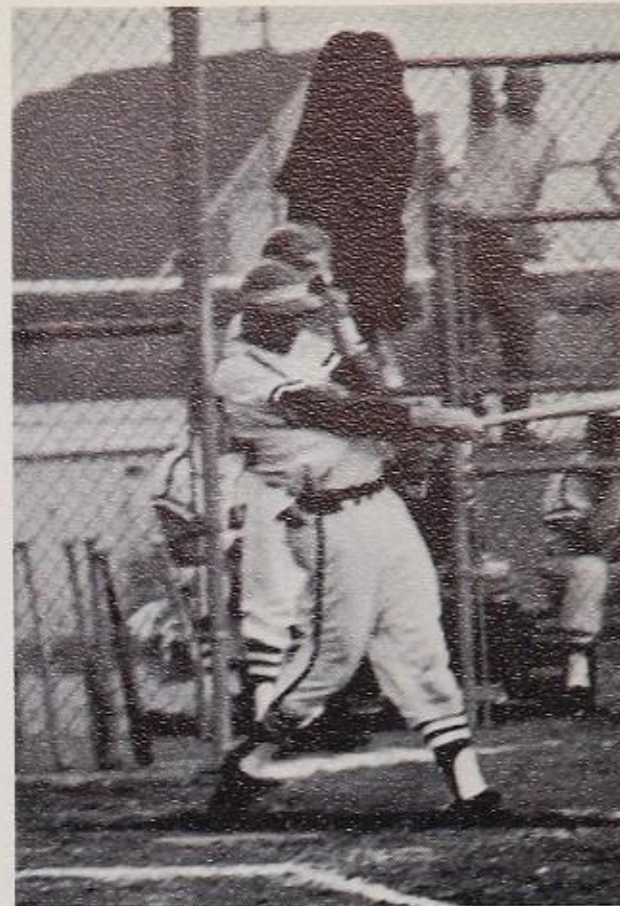

STRONG PITCHING WAS a major factor in this year's Highlander Varsity Baseball squad. With a roster of twenty-four men, the squad finished high in the final Mid-Valley League standings. Many returning lettermen and new players helped to make this season successful. Most of the games were played on Wednesday afternoons.

The strong pitching arm of Clif Ker aided a successful Varsity Squad.

SLÀN LEAT

HERE'S TO IT. Granada's MacLean Tartan. Because of our love for our Scottish traditions, we members of the staff have dedicated *Tartan 1968* to the MacLean Hunting Tartan. We hope that this book will make the symbol of our clan more meaningful to you.

THE DARK, THE thread of it, every thread of it. In addition to the kilt and the plaid over the left shoulder, the MacLean Highlander wears a coat of red dress cloth, a sporran of leather and horsehair, red and white knitted hose, and black shoes. His busby is black and has a white plum of ostrich feathers in the rear. He wears a broad sword at the side and a sgian dubh (small hand knife) in the right-hand stocking.

THE BRAVE HAVE died for it. Two of the war cries used by our adopted ancestors are "Bas no beatha" (Death or life) and "Fear eile airson Eachainn" (Another for Hector).

THE FAIR HAVE sighed for it. Past members of the clan have lived by the motto, "Virtue mine honour."

FOEMEN SOUGHT FOR it, heroes fought for it. Hector MacLean, the originator of the clan, received the lands of herra bolsadh in Islay in 1587, but later lost them. The clansmen were able to regain the lands in 1630.

THINK OF THE fame of it. Our plaid is the oldest that can be documented.

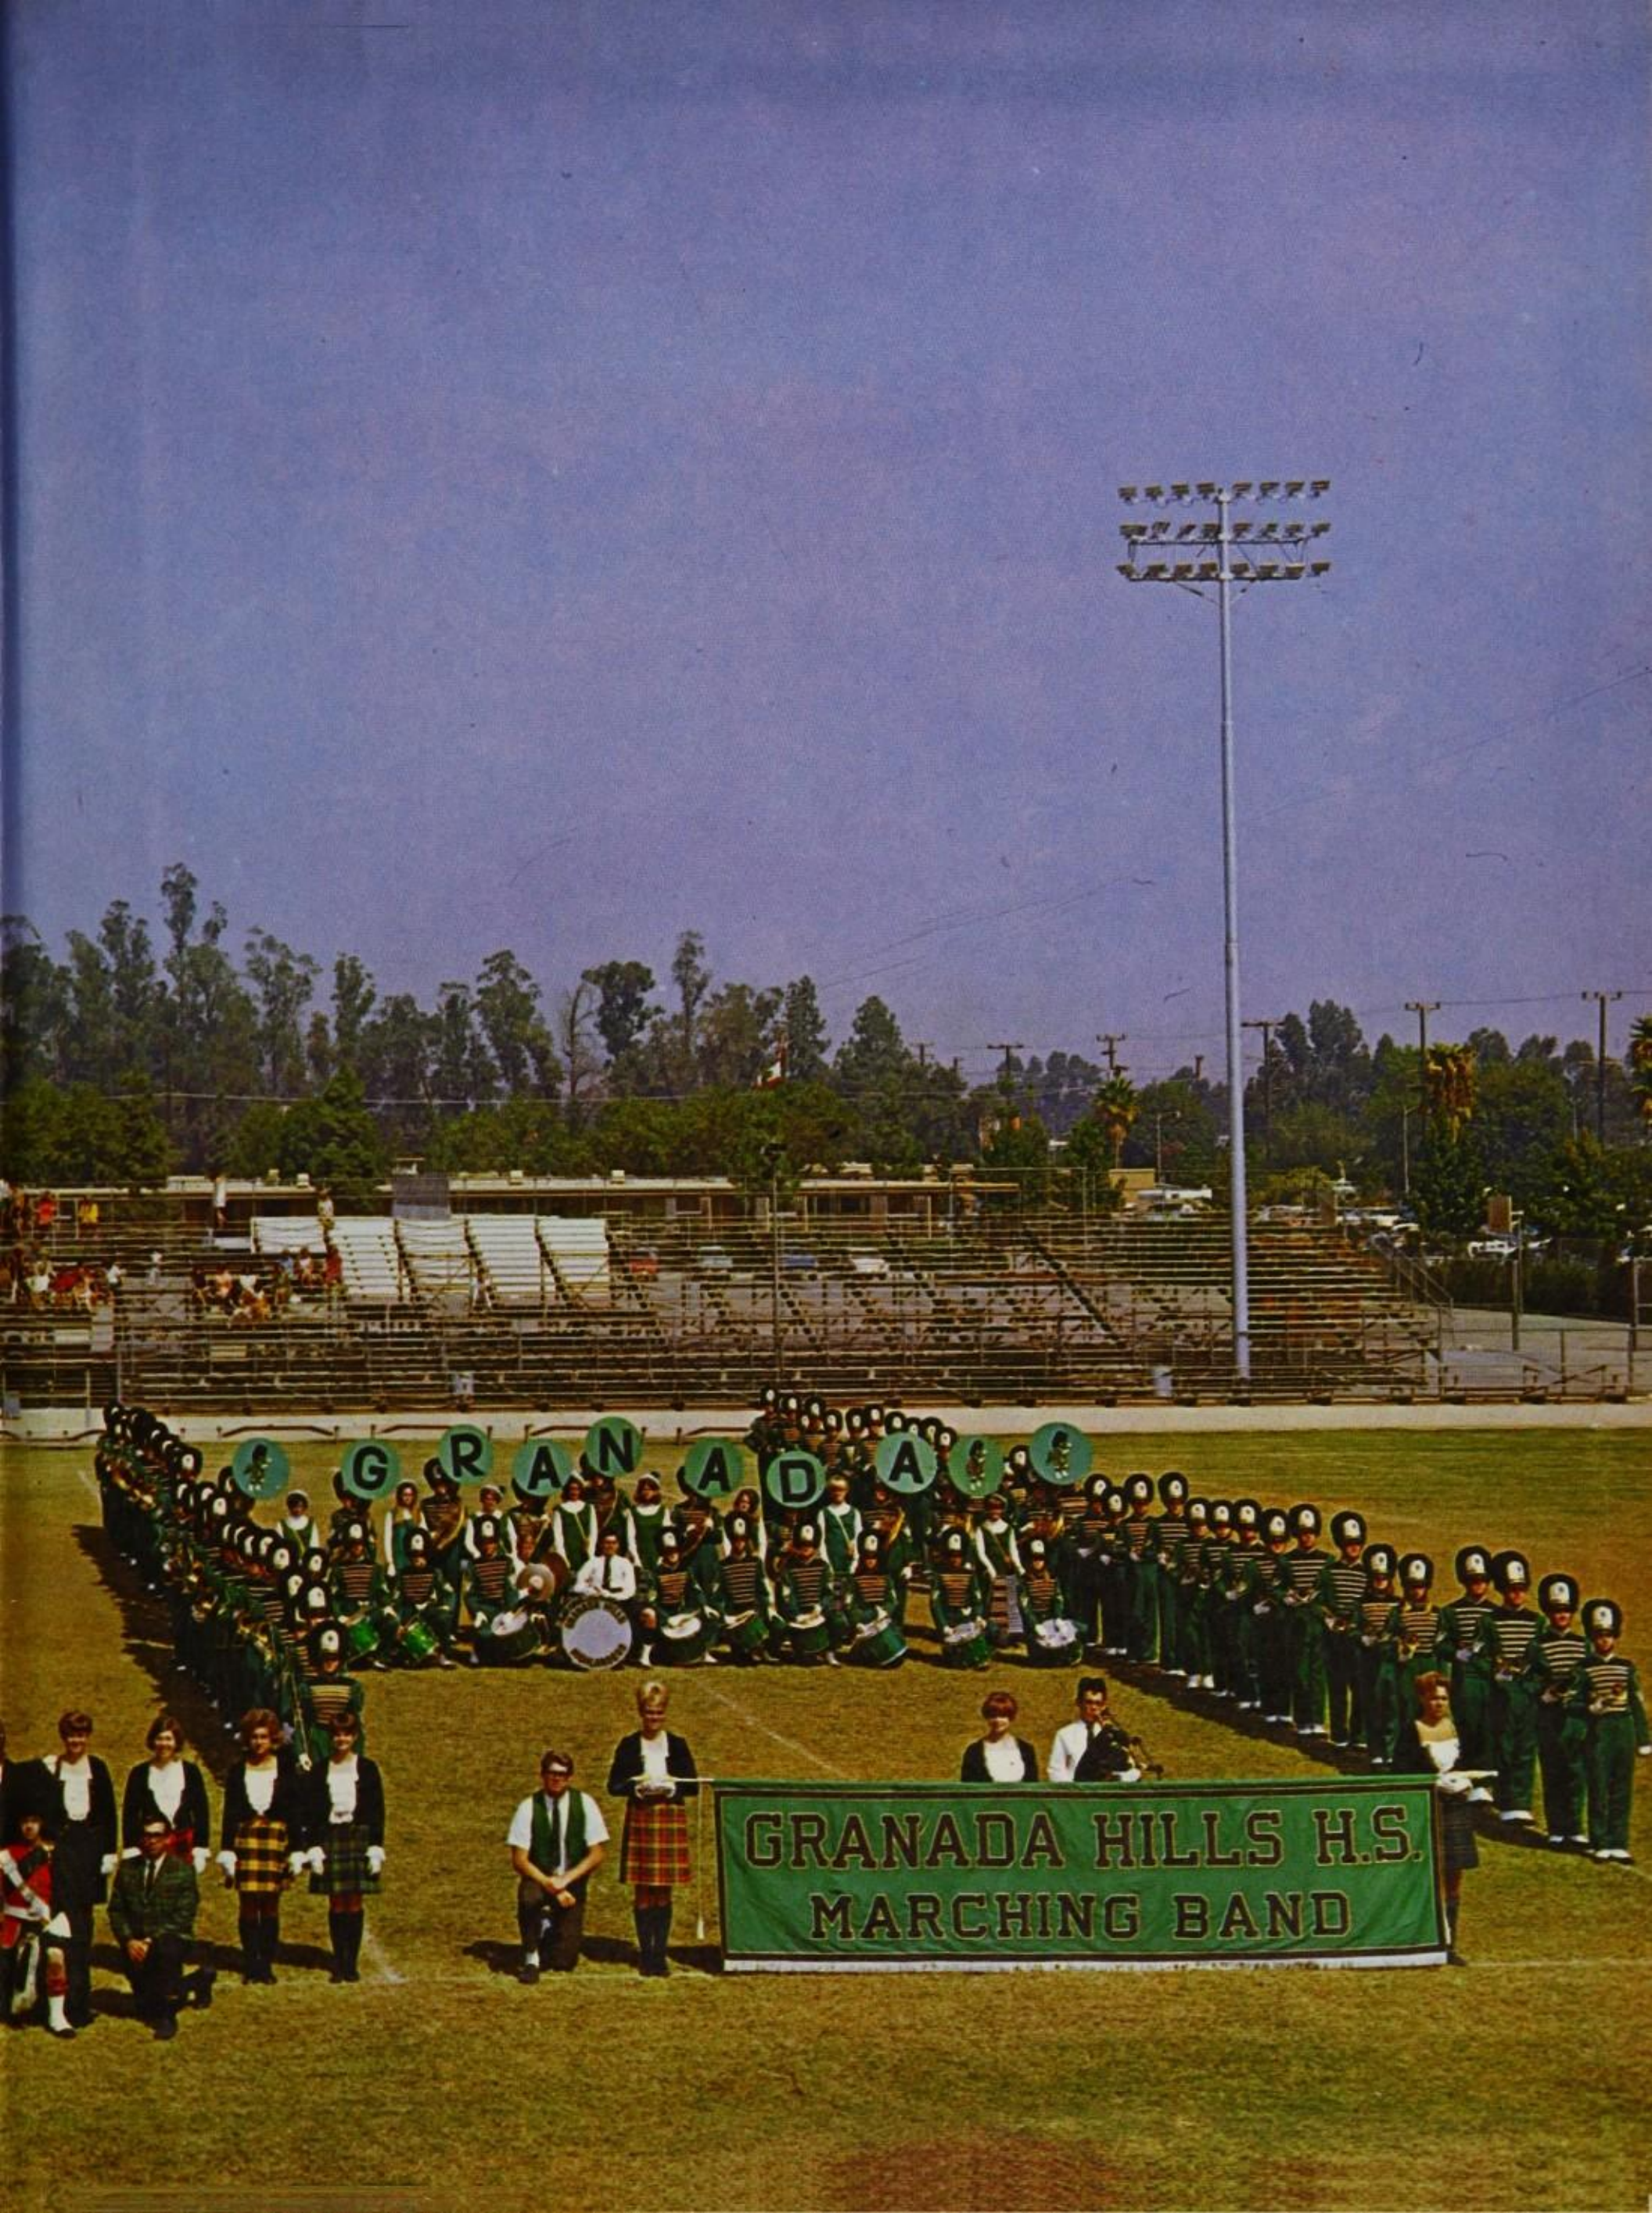

THE TARTAN

TO EACH MEMBER of the staff-Barbara, Nancy, Lynn, Janet C., Karen, Jean, Jay, Paul, Dave R., Nick, Sharon, Jim, Vickie, and Dave V.--I thank you for your ability to talk and laugh, and still get the job done. The fun we've had doing things together and together and going places in "Willie" balances out the exasperation we have all felt when we were missing pictures or rushed for a deadline. Mr. Herman, there is nothing I can say to express my appreciation for your unbelievable calmness in the midst of confusion. To Granada High, and to the biggest challenge of my high schools years, I now say *slan leat*.
